Industries are represented by a North American Industry Classification System (NAICS) code. NAICS codes are available at a two to six digit code level. The two digit code represents the broad industry sector; the third digit represents the industry sub sector; the fourth digit code represents the industry group; the fifth represents the industry, the sixth represents US, Canadian or Mexican National specific. For the purposes of this report, the Industry section is based off of the NAICS two digit level code unless otherwise indicated. SLO County ten year projections account for the time period of 2011 to 2021.
